Saturday Brunch Guidance Notes

With your enjoyment and ours in mind - please take a minute to read the guidance notes below.

- No sharing is permitted unless all on the table are on the same BottomLess offer.
- Our Saturday Brunch offer is not suitable for our Gluten Free or Halal followers - in which case, our standard Gluten Free and Halal food menus can be made available to you during Saturday Brunch times, but just not on a BottomLess Food basis.
- Your 90 minutes begins from the time of your reservation, so please ensure that you arrive promptly for your sitting as your table will likely be required for our next sitting.
 - Please “order as you finish“ and only order what you can finish so as to avoid any food wastage.
 - We will quickly and happily take your next order and get it to you as soon as we can, and for you to be confident in knowing that we want you to enjoy as much of our food and drinks as you would like to, and to have a great Brunch experience with us.
 - Our Chefs and our Front of House team are fully prepared and ready to bring you your food quickly and until your heart and belly are content!
- We will typically ask you for your final orders 15 minutes before the end of your 90 minutes, and should our speed of service not be to our own standards, our manager will happily extend your ordering time as appropriate.
- Once your 90 minutes are up, we will bring you your bill where you have a final 15 minutes to finish the remainder of any food or drinks already ordered.
- Any and all food or drinks cannot be taken away, and this is without exception, so please do not ask if anything can be taken away.
- As a small independent business, we try very hard to do the best we can for our followers and for team members, so at all times, please be kind.
