Chow Buffet Guidance Notes

With your enjoyment and ours in mind - please take a minute to read the guidance notes below.

- All on the table must be on the Chow Buffet offer, as no sharing is permitted with the exception that a member of your group is Vegan or Gluten Free.
- Your 90 minutes begins from the time of your reservation, so please ensure that you arrive promptly for your sitting as your table will likely be required for our next sitting.
- Self Serve Area - dependent on the number of people who are on the Buffet offer, our intention is for you to help yourself to the starters and sides - but whereby we feel it is better that we cook your starters to order - we will let you know upon arrival,
- If Starters are being cooked to order, we recommend that you order upto 3 starters per person per order, this can be as well as your 3 mains that are also being cooked.
- All mains are cooked to order, and can be ordered at anytime - we recommend that you order upto a maximum of 3 mains per person per order.
- We will quickly and happily take your next order and get it to you as soon as we can, please know that we want you to enjoy as much of our food that you would like.
- Please do only order what you can finish so as to avoid any food wastage.
- We will typically ask you for your final food order 15 minutes before the end of your 90 minutes, and should our speed of food service not be to our own standards, our manager will happily extend your ordering time as appropriate.
- Any and All un-eaten food cannot be taken away, and this is without exception, so please do not ask if we can box anything to be taken away.
- As a small independent business, we try very hard to do the best we can for our followers and for team members, so at all times, please be kind.
